

## NO NEW CASES REPORTED TODAY

**Diphtheria Situation Remains Unchanged and Quarantine Rules Are Being Observed**

### PICTURE SHOWS HARDEST HIT

**More Cases Anticipated Because of Large Number Exposed in Families Where Disease Is Now**

### Ministerial Association Votes To Hold One Service Sunday

The Rushville Ministerial Association voted at a meeting this morning to hold only one service Sunday on account of the diphtheria epidemic. That will be the regular morning service. The evening church service and Sunday school will be dispensed with but adult classes may make arrangements to meet on their own initiative.

The diphtheria situation today remained unchanged in so far as no new cases had been reported to the city health board. A close watch is being maintained in families where one or more cases have been reported to see that other members exposed do not contract the disease. From the large number exposed it is not believed the maximum number of cases have been reported and it would not be surprising to find more of the disease.

But under the quarantine regulations as established by the health board, it is believed the spread of the disease will soon be checked and the chances are the schools will be opened on the date originally set by the board—Oct. 22.

Thus far the public has shown a willingness to co-operate and very little complaint has been made. The picture shows are perhaps hit the hardest by the board's order. Last night could not be taken as a criterion because of the weather, but the small crowds were the rule at both theaters.

The ministerial association this morning at a special meeting voted to co-operate with the health officials and announced that to this end there would be but one service Sunday at all of the churches. This service will be at the regular preaching hour Sunday morning and will be open to only those over 21 years old. This is in keeping with the health board's order not to permit anyone not twenty-one to attend a public gathering. There will be no evening service or Sunday school, except as some adult organization may meet on their own initiative.

By prohibiting children from attending Sunday school there was little use to make an effort to conduct this branch of church work and the association voted accordingly.

For the most part the children of school age have followed the police instructions not to congregate on the streets or business houses. One or two cases were reported where the police had to use threats to insure the following out of the health board's order but for the most part no trouble was caused. The cool weather may help the quarantine as the children will not be so hard to keep indoors.

The epidemic thus far has been confined entirely to the city. One fatality occurred in Union township, but no one else contracted the disease in this household and the county health commissioner, Dr. W. C. Smith, has received no reports of any other case.

### FARMERS MEET.

Anderson, Ind., Oct. 12.—Hundreds of farmers of Madison county gathered at the E. N. Wilson farm near here today for the annual meeting and picnic. Prof. G. I. Christie of Lafayette and Dr. H. E. Barnard, pure food commissioner, were among the speakers.

## DISCOVERY DAY OBSERVED

**Banks Close and Knights of Columbus Will Hold Banquet**

Outside of the closing of the banks and a banquet tonight by the Knights of Columbus, Discovery Day passed off here today without any special significance. The Knights of Columbus will be entertained by the new officers tonight at a banquet and smoker and an impromptu program will be followed.

## LULL IN LIBERTY LOAN CAMPAIGN

**Partly Due to Fact That Banks Were Closed Today Because This is Columbus Day**

### 4-MINUTE-MEN CAMPAIGN OFF

There was a lull in the Liberty Loan Bond campaign today, largely because of the fact that the banks, where the activity centers, were closed on account of this being Discovery Day, a legal holiday. Many canvassing committees are still busy, however, seeing everyone in the territory assigned to them.

The report from Chicago yesterday showing that Rush county ranks seventh in the state in the percentage of Liberty Loan quota subscribed, spurred canvassers on to greater endeavor and it is expected the next report received will reveal another large gain in subscriptions. The last report showed the number of subscriptions almost doubled and the par value of the subscriptions more than doubled.

The Four-Minute-Men campaign has been called off for the remainder of the week because of the disagreeable weather and for the additional reason that attendance at the picture shows is cut down because of the diphtheria quarantine regulations. No speeches were made last night on account of the small attendance at the shows.

## PETITIONERS WIN IN SMULLEN ROAD CASE

**Hancock Circuit Court Decree Says Commissioners May Construct Highway at Raleigh.**

### REMONSTRATORS LOSE CASE

Under a decree entered in the Hancock circuit court the Charles L. Smullen et al road in Washington township was ordered sent back to the Rush county commissioners for construction. The decree was received today by the county auditor and under its terms the petitioners are upheld.

The Smullen road was petitioned for in the spring of 1916. A remonstrance was filed, headed by William Knecht, and when the commissioners overruled the remonstrance, the case was taken to the circuit court and then sent to Hancock county on a change of venue.

The road is to be about three-quarters of a mile long and extends east and west through Raleigh. The remonstrators contended that the road could not be constructed under the three-mile road law because it did not connect two free gravel roads and was simply a section of one improved road. It is believed under the decree of the court that the commissioners will now order the road built although it may be necessary to raise the estimate because the road cannot now be built for the cost as originally estimated.

Brazil—Father J. W. Ralinson of the Catholic church here has received an appointment as an army chaplain and has been ordered to report to Camp Taylor, Louisville.

## H. D. ALLEN TO GO TO FRANCE AS A CLERK

**Employee of Rushville Postoffice For 18 Years Selected For Service Abroad**

### ORDERED TO CAPITAL NOV. 10

**Appointment is Recognition of Ability as Only 150 Clerks Are Appointed**

Harvey D. Allen, clerk at the Rushville postoffice, was ordered this morning to report at Washington November 10 for service as a postal clerk in France. Mr. Allen did not make application for the appointment.

The order for him to report, however, does not recognize the fact that he did not apply for the position. The letter containing the order was addressed to Postmaster G. P. Hunt and says: "You are directed to request Mr. Harvey D. Allen, an employee at your office, to leave for Washington on November 10, unless sooner called by telegraph, to join a party going to France for service there, under the United States Postal Agent, provided he can meet the passport requirements."

The passport requirements are that he shall be a native born citizen of the United States and that his parents shall be native born or his father a naturalized citizen.

The letter further states that arrangements should be made for the passport requirements and that Mr. Allen be provided with a memorandum showing the last day of duty performed in this office.

The letter also says that Mr. Allen will be required to purchase the prescribed uniform at Washington or New York, which will cost approximately \$25. The letter also contained transportation to Washington.

It is stated that clerks selected are experienced distributors in the service, who are expected to serve during the period of the war. They will be transferred to the rolls of the United States Postal Agent, and at the conclusion of their services, reinstated to their former positions and grades.

Mr. Allen will be paid at the rate of \$1,200 a year with a subsistence allowance not to exceed \$2.00 a day. When traveling on official business, clerks will be reimbursed for the actual and necessary expenses incurred by them.

Mr. Allen has been employed at the Rushville postoffice for eighteen years and the appointment is a recognition of his ability as a clerk, in view of the fact that only 150 clerks are being selected for service in France and the department has all the clerks in the United States to draw from. The appointment, however, is restricted to clerks outside of the draft age. A clerk who has been exempted from military service can not be appointed.

The transportation expenses of the 150 clerks will be paid and they will be taken to France on army transports which will be conveyed by destroyers and dreadnaughts. This means that the danger of crossing to France will be minimized. The postoffice department announced on October 1 that these clerks would be dispatched to France to assist in the distribution of mail to and from the expeditionary forces.

The uniform will be the olive drab and will have the "U. S." on it just as the uniform of army men, but on the arm will be in red letters, "P. S." indicating the branch of the service. Mr. Allen will not be in the military service, but will still be a part of the postal service.

Evansville—In accordance with the new conveyance law for township schools, a hack has been put in operation in Knight township.

## COAL SITUATION IS "ROTTEN" HERE

**This is Only Word One Dealer Says Will Express it, With no Fuel In The City**

### WOOD SUPPLY IS EXHAUSTED

**With First Snow and Subsequent Lowering of Temperature, Fuel Shortage is Serious**

"The coal situation today is rotten," was the expression of one local coal dealer, and with the first real touch of winter at hand causing a demand regardless of the price, this is not very encouraging to the man who has not laid in his winter supply.

With the first snow of the season this morning and a subsequent lowering of the temperature soft coal was in great demand, but there was none to be had. The local dealers had sold entirely out of the product and while all have coal on the way there is no assurance as to when it will arrive. The coal now comes direct from the mines and some times requires as long as ten days to reach the city.

With coal a necessity the price is no longer a consideration. If a household needs coal for fuel the price cannot be taken into consideration and especially since there is no coal to be had.

The wood situation presented a similar problem. The Reynolds Manufacturing company, which sells large quantities of wood for fuel, has entirely disposed of its output for three weeks in advance and is no longer taking orders. When soft coal is hard to obtain many people turned to wood for heating purposes, but now there is no wood. The Reynolds company quickly disposed of a large supply and wood sold faster than it could be cut. Thus it became necessary to discontinue taking orders.

The weather was not cold enough today to lower the natural gas pressure to any great extent, but as the gas supply will be about like that of last winter it cannot be depended upon with any certainty for heating purposes.

The Geological Survey in a statement issued from Washington admits a general shortage and declares it is caused by the unprecedented demand for the product.

"The tremendous increase in manufacturing and transportation activity this year," said the statement, "has created a demand for soft coal in excess of any in the past, an increase in demand that is difficult to measure in terms of tons, but that is certainly more than 10 per cent by which production has increased." All of which leads the small user, the men who have no coal to wonder at a solution of the problem.

The smaller towns of the county are in no better position than Rushville. There was no coal at Milroy and the famine is general throughout the county as well as the country.

The Geological Survey says the shortage is not caused by the failure of the coal miners to produce more coal for the country on Sept. 1 was about a month ahead of last year in output and is expected to finish the year with an increase of 10 percent over last year.

## U-BOAT NOT SO EFFECTIVE

Washington, Oct. 12.—A cut of thirty-three per cent today in the cost of government insurance for crews traversing the submarine zone was taken as further evidence of a waning of U-boat effectiveness. Vessels trading with the Azores, the Canary Islands and Morocco ports on the Atlantic were added by today's treasury department order to those requiring seamen's insurance.

## MAY BE PLAYED IN SNOW

**Next World Series Game in Chicago Where it Looks Like Christmas**

(By United Press.)  
Chicago, Ill., Oct. 12.—The fifth world's series game here tomorrow may be played on snow shoes. This was indicated today when the landscape looked like Christmas. Snow fell during the night and early this morning. The weather man promised "unsettled and warmer" for tomorrow.

## CLARK DISCHARGED FROM CAMP TAYLOR

**Rush County Man Going With Increment Week Ago is Found to be Physically Unfit**

### IS SECOND ONE SENT HOME

Harry E. Clark of this city, sent to Camp Taylor from here one week ago today, has been given his discharge by the army examining physicians. Clark was suffering from a minor ailment when examined here, but the board did not believe this would disqualify him, but their judgment did not correspond to that of the army surgeons.

Clark was sent to Camp Taylor in the place of James Alsmann of Arlington who was originally selected to go, but who was ill with pneumonia and could not make the trip. Clark is the second Rush county man to be turned down, Samuel Ferguson being the first.

The local board has received no official notice of the action of discharging the two men. Ferguson has been home for two weeks, but no notification has reached the board to this effect.

## WILL PLAY A BIGGER PART WITH HER NAVY

**America Plans Fuller Co-Operation With Allies, Outline of Which Mayo Brings Back**

### HOME FROM VISIT TO FLEET

(By United Press.)  
Washington, Oct. 12.—America is about to play a bigger part in the war with her navy.

Plans for fuller co-operation with the allies are being brought to Secretary Daniels by Admiral Mayo, back today from a six weeks visit to the British fleet and the American warships in European waters. Speculation on Mayo's mission has taken a wide range, some stating he was especially interested in the possibilities of a grand naval offensive against the German submarine bases and even against the German battle fleet.

The navy department's announcement of Mayo's return said:

"The purpose of the visit was to permit him to become familiar in every detail with the situation as it is at the present, what has been done before and to discuss the plans for the future.

"Admiral Mayo visited the British fleet and our own forces in British waters in order that he might familiarize himself with the conditions under which the allied forces are operating."

## YARGER BURNED TO DEATH

(By United Press.)  
Bluffton, Ind., Oct. 12.—H. E. Yarger was burned to death today and his home was destroyed by an explosion of kerosene while he was starting a fire. James Rush, his brother-in-law was severely burned while trying to rescue Yarger. His wife and daughter narrowly escaped from the burning house.

## START ON ANOTHER OFFENSIVE IN MUD

**British Troops Attack on Front of Six Miles Northeast of Ypres This Morning**

### PROGRESS IS SATISFACTORY

**Dispatch From Front Says All First Objectives Were Swept Over In the First Dash**

(By United Press.)  
London, Oct. 12.—British troops began another great offensive early today over the slime and mud of Flanders.

"Northeast of Ypres we attacked on a front of about six miles about 6:25 this morning," the British commander-in-chief reported, "with satisfactory progress."

The highest hopes were revived here today by the news of this resumed offensive. London realizes that weather conditions could not possibly be worse for fighting. It has rained continuously for almost five days in Flanders. Every dispatch has emphasized the sea of mud there. The public, therefore, accepted the fact that under such adverse conditions Haig has again chosen to attack as proof of knowledge that he now has the enemy reeling from his sledge hammer blows.

Momentous issues hang on the German line in the Ypres sector. The British drive is a direct menace to the German grip on submarine bases on the Belgian coast.

## VICTORY IN SPITE OF MUD

**British Continue Tremendous Drive in Early Morning Spurt**

(By United Press.)  
By WILLIAM PHILIP SIMMS  
With the British Armies in the Field, Oct. 12.—All first objectives were swept over and taken in the first dash of another tremendous drive early today.

The victory was achieved despite the fearful state of the ground—an ocean of mud through which the advancing men wallowed and almost swam. The drive is still progressing.

"All is simply splendid," declared Field Marshal Haig, discussing his latest offensive in an interview today.

"The entire history of Flanders shows that the soldier's worst enemy is mud.

"This is true more than ever before in the particular section here as the natural drainage was stopped when the country was inundated. Notwithstanding the mud, British, including men from all dominions and the French have overcome both the mud and the Germans."

## ROUSING ITSELF TO SECOND LIBERTY LOAN

**Nation is Spurred on by Gloomy Official Report of First Ten Days of the Campaign.**

### QUICKENING IS MANIFEST

(By United Press.)  
Washington, Oct. 12.—The nation is rousing itself today to the second Liberty Loan.

Spurred on by the gloomy official report of the first ten days campaigning, committees throughout the country strove with fresh determination to reach their quotas today. All forces are working for the \$5,000,000 goal undaunted by the knowledge that only about one-fifth of this amount has been subscribed.

The treasury department stated a general quickening of the campaign is already manifest despite the fact that most banks are closed today.

**WINS \$177 PRIZES AT NATIONAL SWINE SHOW**

Geo. Reeves Makes Splendid Showing With Herd of Spotted China Hogs at Omaha.

**GREAT RECORD IN TEN SHOWS**

George Reeves has returned from Omaha, Nebraska, where he made his usual good showing with his prize herd of Spotted Poland China hogs at the National Swine show, which is open to the world and proves that his herd is the equal of any. He won \$177 in prize money at this show alone.

He won in the class for aged boar and the championship and grand championship with the boars of the herd, which has won three prizes in seven out of ten shows made this season. In the other three he was second. In the Omaha show the boar beat his sire, which was the champion and grand champion boar last year. The sow of the herd also won the championship and grand championship in seven out of ten shows this season.

Other winnings at the Omaha show were: third on senior yearling boar; second on junior boar pig; second on aged sow; first on senior yearling sow; third, fourth and sixth on senior sow pigs; third and fourth on junior sow pigs; first on aged herd; third on young herd; third on get of sire and fourth on produce of dam.

**LAFOLLETTE TO GET A CHANCE TUESDAY**

Summoned to Appear Before Investigating Committee to Make His Defense

**DISLOYALTY IS CHARGED**

(By United Press.) Washington, Oct. 12.—Senator LaFollette was today summoned to open his defense against disloyalty charges at a meeting her of the investigating committee next Tuesday morning.

The Wisconsin pacifist will probably be followed on the witness stand by former secretary of state William J. Bryan.

The committee in a letter to LaFollette today declared they desired to give him a hearing to inform the committee with reference to various statements he made in his St. Paul speech.

"The committee," said the letter, "begs to advise you that it does not concede that its power extend to an inquiry in to your right to make the speech—that question being reserved for the full committee for its consideration; nor does it believe it has self-authority to inquire into the motive of those making attacks on you."

LaFollette had particularly requested to be heard on these points.

**RECOMMENDS TWO PARDONS, 7 PAROLES**

State Board of Pardons Continues Case of the Rev. William H. Hinshaw, Wife Murderer.

**DENY 34 PAROLE REQUESTS**

(By United Press.)

Indianapolis, Ind., Oct. 12.—Two pardons and seven paroles were recommended and thirty-four requests for paroles denied by the state board of pardons today.

The case of the Rev. William H. Hinshaw, serving a life sentence for wife murder was continued. A pardon was recommended for Nelson White, sentenced for life from Vigo county in 1906 for murder.

A parole was recommended for Bernice Parker, sentenced from Johnson county in 1915, for aiding in robbing a bank. The woman, who is only 23 years old, was alleged to have admitted helping blow the Greenwood bank. Her husband and another man are serving terms for the same crime.

Miss Mildred Oneal went to Glenwood this afternoon to visit the schools.

**HOGS ARE 40 TO 65 CENTS LOWER TODAY**

Prices Decline With Run of 5,500, One Thousand Greater Than Yesterday's Receipts.

**TOP IS NINETEEN DOLLARS**

**SPECULATION AS TO GERMANY'S MOVE**

**General Belief is That Sweeping Offer of Belgium's Independence Will be Made**

By ED L. KEEN

(U. P. Staff Correspondent.)

London, Oct. 12.—Following the speedy failure of German Foreign Secretary Kuehlmann's attempt to sow discord among the allies regarding Alsace-Lorraine, there was much speculation in official circles today as to the character of Germany's next move in her "peace offensive."

The general belief was that a sweeping offer of Belgium's independence, calculated to sow discord among the English was not unlikely. Any such an offer would probably be looked upon to influence public opinion. Any such scheme was believed doomed in advance so far as its effects here is concerned because the war issues have gone far beyond the Belgium question.

The step would be regarded as indicating Germany's desperation in a military sense.

**Rushville Evidence For Rushville People**

The Statements of Rushville Residents Are Surely More Reliable Than Those of Utter Strangers

Home testimony is real proof.

Public statements of Rushville people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Rushville man's statement.

And it's for Rushville people's benefit.

Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

Samuel A. Brown, 206 Pearl St., says: "I had a severe attack of backache and it became worse every day. Finally, the trouble was so bad I could hardly raise my foot above the ground. When I stooped, I thought my back would break. I used Doan's Kidney Pills and was surprised at the prompt way in which they stopped the trouble. In a few days, I was free from pain."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

These Firemen Didn't Have Much to do to Make Run Either (Carthage Citizen)

A fire burning out at the Morris residence just northeast of town, tenanted by Charles Weaver, caused some uneasiness as to its extent, by the family and neighbors, and a call was sent for the auto fire-fighter here at 9:30 p. m., Wednesday. 'Chiefs' Hood, Beher and Willcutt made the run, after assembling the machine, filling flat tires, hunting a missing bolt for the trailer, etc. The engine was not used as the fire was extinguished from the openings in the cellar. It might prove a good investment to keep the fighter in trim and readiness.

### COUNT LUXBURG CAUGHT

(By United Press.)

Buenos Aires, Oct. 12.—How Count Luxburg, dismissed German envoy, was forcibly searched and disarmed after he had given vent to a wild outburst of language when discovered at a Uruguayan ranch was told in information reaching here today. The count under heavy guard is enroute to Buenos Aires.

## FIRST SNOW COMES EARLIER THAN USUAL

County Gets Its First View of Flakes Today and Temperature Drops to Freezing

### FREEZING WEATHER TONIGHT

Snow fell in Rushville early this morning—the first time in many years that this county has had snow as early in the fall as October 12. The temperature was down to freezing early this morning and moved up very little during the day, never reaching forty. Predictions were for freezing temperatures tonight and fair weather tomorrow.

J. H. Armstrong, meteorologist in Indiana for the United States weather bureau, said the snowfall this early was brought about by a high-pressure atmospheric field, which followed from the northwest the stormy conditions of the last few days. This combination turned the showers into snow flurries he said. Madison reports a light snow fell, following a rain of several hours. The thermometer there registered 28, a drop of ten degrees in the last twelve hours. Thin ice formed in the streets. The bean and tomato crops of Jefferson county suffered severely from the cold snap.

Dispatches say the snow flurries were general throughout the state. At Greenfield the mercury fell to 32. Kokomo, Ft. Wayne, Crawfordsville and other places say the "skiffs" of snow were light and melted today.

### Days Pickings

The case of Jephtha Crouch and others, doing business under the firm name of J. Crouch and Son of Lafayette against Leslie Boring and Catherine Boring has been received in the circuit court on a change of venue from Shelby county. The case involves the sale of a stallion by Crouch and Son to the defendants and in a counter claim the defendants allege they were damaged because the stallion was "moon eyed" and unsound.

The suit of William C. White against the Terre Haute, Indianapolis and Eastern traction company has been sent here on a change of venue from Shelby county. The suit was originally filed in Hancock county. The case involves the killing of a horse and mule valued at \$500.

The Carthage Citizen says that the Carthage library has sent \$56.44 to the headquarters of the war library fund as its contribution to the fund. The Carthage school gave \$7.38. The library's allotment was \$59.14.

Miss Dorothy Mulno, high school student, is not suffering with diphtheria as first thought. A report from Indianapolis this morning, where a throat culture was sent for examination, disclosed that she has tonsillitis.

An exchange will be given Saturday by the Busy Bee class of the First Baptist church in the Puntene room in Second street.

Mr. and Mrs. Stephen Kelly and family are moving from North Jackson street to 412 North Harrison street.

Terre Haute—A meeting of milk producers recently decided conditions justify an increase in the price of milk. Consequently the people of Terre Haute will soon be paying thirty cents a gallon for their milk.

### TAKE NOTICE

The telephone office will be open tonight for all those who have not yet paid their bill. Get in tonight. 181t1.

### NOTICE OF ADMINISTRATION

Notice is hereby given that the undersigned has been appointed by the Clerk of the Circuit Court of Rush County, State of Indiana, administrator of the estate of Cassie Ann Jefferson, late of said county, deceased.

Said estate is supposed to be solvent.

JOHN W. WATKINS, Administrator.  
Attest: Geo. B. Moore, Jr., Clerk  
Rush Circuit Court.

A. L. Cary, Attorney.  
Sept 28-Oct 5-12

### NOTICE OF SALE OF REAL ESTATE BY ADMINISTRATOR

The undersigned, Administrator with the will annexed, of Henry Armstrong, deceased, will in pursuance of the will of deceased offer for sale at private sale at not less than appraised value thereof at the law office of Megee & Ross in Rushville, Indiana, the following described real estate in Rush County, State of Indiana, to-wit:

PLAT 1  
Commencing at the northwest corner of the east half of the northeast quarter of Section 36, Township 13, north, Range 10 east, thence east 1337 feet to the northeast corner of the east half of said quarter section; thence south 1991 feet to the center of the Rushville and Andersonville free turn pike; thence in a northwesterly direction along the center of said turn pike to where the same crosses the west line of the east half of said quarter section; thence north 755 feet to the place of beginning and containing 35.42 acres more or less.

PLAT 2  
Also commencing at the northwest corner of Section 31, Township 13, north, Range 11 east; thence east on the north line of said Section 31—2569 feet; thence south 1556 feet; thence west 763 feet; thence south 809 feet; thence in a northwesterly direction 24.35 feet; thence north 755 feet to the place of beginning, containing 31.93 acres more or less.

PLAT 3  
Commencing at the southwest corner of the east half of the northeast quarter of Section 36, Township 13, north, Range 10 east; thence east 1314 feet and 6 inches to a point that is 24 feet and 9 inches west of the southeast corner of the east half of the northeast quarter of said section; thence north 639 feet and 6 inches to the center of the Rushville and Andersonville free turn pike; thence in a northwesterly direction along the center of said turn pike to where the same crosses the west line of the east half of the northeast quarter of said section 36; thence south 2132 feet and 6 inches to the place of beginning; excepting: commencing at a point on the west line of the east half of the northeast quarter of said section 36, 543 feet south of the northwest corner of the east half of said quarter section; thence south 237 feet, thence east 515 feet and 6 inches to the center of said turn pike; thence in a northwesterly direction along the center of said turn pike to the place of beginning and containing 2 acres and 76 rods, more or less. And also excepting that part of said real estate that was donated to the Indianapolis & Cincinnati Traction company, and which is described as follows:

Part of the northeast quarter of Section 36, Township 13, north, Range 10 east, being a strip of land 66 feet in width, lying 33 feet on either side of the following described center line.

Beginning on the west line of the east half of said quarter section at a point 243.5 feet southwest of the southwest line of the highway lying northwest and southeast through said quarter section; thence in a southeasterly direction 650 feet; thence curving to the left line along a curve having for its radius 1432.69 feet for a distance of 535 feet; thence in a southeasterly direction tangent to this curve 56.2 feet thence curving to the right along a curve having for its radius 1432.69 feet for a distance of 432 feet, more or less to the east line of said line of northeast quarter of Section 36, and containing herein 2.29 acres, leaving the amount in the above description of 41.65 acres.

ON TUESDAY, THE 20th DAY OF NOVEMBER, 1917, AND FROM DAY TO DAY THEREAFTER UNTIL SOLD.

Said land will be offered as a whole and also in two separate tracts. One tract consisting of lots numbered one and two, the other tract being the plot number three. Plots 1 and 2 being

ing northeast and Plot No. 3 being southwest of the Rushville and Andersonville free gravel road. Possession to be given March 1st, 1918. Said sale will be upon the following terms and conditions: At least one-half the purchase money cash on day of sale the balance in one installment payable in 12 months from day of sale, deferred payment, if any, to be evidenced by promissory note bearing interest at 6 per cent per annum from date and attorneys' fees, waiving valuation and appraisal laws secured by mortgage on premises sold, the purchaser to have option of paying all cash. Bids will be received at the office of Megee & Ross, Rushville, Ind., or by the undersigned until 10 o'clock a. m. on the 20th day of November, 1917.

ANDERSON ARMSTRONG, Administrator With Will Annexed of Henry Armstrong.

## An Object Lesson

A trip through the country near any large marketing center will, if the traveler be an observant person, bring to his attention some facts that it will be well to heed. More especially will he do well to note them carefully if he is a farmer.

One thing that will claim his attention is that in the planting of crops by truck farmers he will observe almost a perfect unanimity in variety throughout a given community. Cabbages and tomatoes, onions and radishes, turnips and green corn, he will find the same variety being grown by all.

If this same man will happen into this same community at the time these crops are being marketed he will see the results of this system. He will see the result of standardization. He will see products from any number of truck farms assembled in one big shipment, all consigned to the same market, and all of uniform grade and value. Each man knows exactly what his produce is worth, because he knows that it measures up to a given standard.

Had these truckers "mixed" their products—that is, had every man planted the variety of any given crop that most appealed to him—this facility in marketing could not have been attained.

Here is food for thought for the regular farmer other than the trucker. The great markets of the world have nicely adjusted standards in all commodities they handle. A shipment of corn, for instance, need not be of any particular variety, but must be all of one variety if the shipper would get the best price.

Now let us carry the lesson a step further. All shippers know that it is easier to get the top price on a shipment of a number of ears of any commodity than on a few hundred bushels. Hence it stands to reason that the more of a given grade of any commodity a community can turn out the more readily it is marketed and the better price it brings.

Farmers would do well to not only establish farm standards, but neighborhood standards as well. Organ-

## PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste, a bad breath, a dull, listless, 'no good' feeling, constipation, torpid liver, bad disposition or pimply face."

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 15c and 25c per box. All druggists.

# OUR ENEMIES

What We Are Fighting Against

By Newell Dwight Hillis

(Second Article)

This war began in 1892, in a meeting in the Palace at Potsdam. The Kaiser at that time placed in the hands of his advisers a document marked "secret and confidential." The first line held these words: "The Pan-German Empire." The second line read: "From Hamburg and the North Sea to the Persian Gulf." The third line was: "Our immediate goal by 1915 is the conquest of 250,000,000 of people." The fourth line read: "Our ultimate goal is the Germanization of all the nations."

On the second page there was an extract from the Kaiser's speech. "From my childhood I have been under the influence of five men—Alexander, Julius Caesar, Theodor the Second, Frederick the Great and Napoleon. These five men dreamed their dreams of a world empire—they failed. I, too, have a dream of a world empire—I shall succeed."

Two maps prepared by the Kaiser, for his associates, set forth clearly the ultimate goal to be won by his military machine. The first map was called "The Roman Empire—Caesar Augustus, Emperor." Then are spread out the countries conquered: Carthage, subdued and her capital a county-seat town reporting to Rome; Egypt and Palestine conquered, while Alexandria and Jerusalem report to the Emperor. Ephesus and Athens are conquered and are county-seat towns under the Emperor's heel.

Having used the Roman Empire as his standard, the Kaiser publishes

ize your productive plans with a view to systematic and profitable marketing. Get together and decide on the most profitable crops the community is adapted to, and then as to the variety of each. Then such an agreement has been reached, much of the difficulty in marketing will have been overcome.

## Farmers Help Expected

President Wilson, in a recent address to the people of the United States said:

"Upon the farmers of this country, in a large measure, rests the fate of the war and the fate of the nations."

In every crisis it is the farmer that the people of this country have turned for help because the farmers have never failed them. The opportunity to serve his country has come again. The second issue of the Liberty Loan for \$3,000,000,000 is being floated and Washington looks to the farmer to do his share, to buy freely.

Marshall Forrest of Chicago, who is booming the sale of these bonds in the country districts of Illinois, calls attention to the increased production of grain in the state, especially oats. Throughout the entire seventh federal reserve district this crop has been above the average, to say nothing of the increased price received for it.

The farmers have the money; their crops are garnered; their profits should be invested in these Liberty bonds. It is inconceivable that they will hold back for a moment in such a crisis as we are now passing through, for every dollar put into a Liberty bond is an effective blow struck at autocracy as represented by the enemy of the United States.

"Nation is Warned to Husband Meat."—Headline. Which the girls will try to obey by transposing the two last words and slightly altering the spelling of one.

The food pirates have one consolation—the food control bill will lessen their liability under the income tax law and the excess profits measure.

the World Map for 1920. At the top of the map were these words: "The Pan-German Empire." Beneath you read: "Kaiser Wilhelm II, Emperor." Across the State of France are the words, "Germania," for Paris is a county-seat town. Upon Great Britain is written, "Germania" for London is a county-seat town.

Seven years after this was published, the German admiral told the hero of Manila Bay just what was to happen concerning the war. He bade Admiral Dewey remember the Kaiser was preparing to conquer France, with the real purpose of destroying England, and then proposed to seize Canada and the United States. "Germany after that will dispose of South America and the Monroe Doctrine as they think best." These facts throw a flood of light upon the Kaiser's statement to Ambassador Gerard, "When this war is finished I will not stand any nonsense from the United States."

Now that three years have been completed, we see the Kaiser missed his goal by only a hair's breadth. 1917 is here and lo, the Kaiser controls 200,000,000 instead of 250,000,000 he hoped to have conquered. By three years' war he has increased the German population from 70,000,000 to 220,000,000. He controls directly or indirectly, Belgium, North France, Poland, Roumania, Hungary, Austria, Bulgaria, Serbia, Turkey

and a part of Armenia. Having prepared for the war by a vast web of cunning, intrigue, and treachery, through hired agents distributing bribes in every capital of the globe, he is now preparing for peace and proposes a trade and compromise, that will give up Belgium and North France and count the incident closed. This means—he will give back about one-fifteenth of the conquered territory and people, thus retaining 140,000,000 which, with his 70,000,000 Germans leaves the Pan-German Empire with over 200,000,000 of people and extending from the North Sea to within four hundred miles of the Persian Gulf. Today, the Kaiser is spending millions through his agents, influencing and bribing members of the press, of the judiciary, of legislatures. As Germany has not been invaded, peace without victory means that while the rest of the world recovers from its billions of losses, Germany will strengthen her military machine and then complete the Germanization of the whole world.

## RABIES ARE PREVALENT

Epidemic Reported in Several Southern Counties

(By United Press.)

Indianapolis, Ind., Oct. 10.—Rabies are prevalent in several counties in the southern part of the state, according to L. E. Northup, state veterinarian.

"In Spencer county, twelve people have recently taken the Pasteur treatment, having been bitten by domestic animals," said Northup.

"Quarantine was declared in Gibson, Pike, Dubois, Warrick, Posey, and Spencer counties last July, but it was not strictly enforced and the disease was scattered. A few days ago a strict quarantine was placed on Spencer county and the epidemic is now checked."

## SIX FOOTERS PUT ON PROVOST GUARD

Three Hundred Men Picked From Every Unit to Enforce Law at Camp Shelby

ALSO IN CITY OF HATTIESBURG

Indianapolis Battery of 139th Artillery Boasts It is Little Better in Any Line

Hattiesburg, Miss., Oct. 12.—A permanent division provost guard, composed of two companies, 150 men each, and commissioned officers, is being picked from the entire division and when completed will be one of the finest, most efficient and best organizations in the division.

The commander of each company unit in the camp has been asked to submit the names of two men, suitable for the guard, to division headquarters. When this roll is finished, the two companies will be selected according to requirements.

Every man in the division provost guard will be over six feet in height, and will in all truth be a "man."

It is understood that one company of the guard will be assigned to the city of Hattiesburg and will enforce the laws here while the men are in training at Camp Shelby.

"Men they are—the hardy breed that dares to do or die."

This has been said of the "Sammyies" as a whole, but is especially true of one outfit at Camp Shelby.

Members of Battery B, 139th Field Artillery, go so far as to boast that they can fight—that they can do anything—just a little better. The boys of Battery B came from the old Fourth Indiana Regiment Companies C and D. They hail from Indianapolis and are proud indeed, of that old Hoosier town.

"It's the most cosmopolitan bunch I ever saw in one camp," said one well-known soldier several days ago.

"These fellows are the greatest I've ever seen. They will make one of the best batteries in the whole shebang," said the top sergeant, who months ago turned down a commission in the Canadian army to come to the States and enlist with the Indianapolis bunch as a private. His promotion to sergeant came later.

"We can lick any of these fellows in the camp at any old game they name, be it football, baseball, fighting, basketball or whatnot," drawled one of the privates, who formerly was an Indianapolis newspaper reporter.

All of the leading semi-professional baseball players in and about the Hoosier capital are members of the outfit. And "pugs"—why Battery B has the best ever seen in Indiana. The younger brother of Jerry Dalton and others already have issued challenges to any fighter of any weight in camp.

The boys at the camp like this Liberty Loan business. "It means we'll have a little grub stake when the kaiser is licked," they say.

A private in the First Indiana walked into his captain's tent yesterday morning and saluted. "Well, what'll you have," asked the captain.

"Another Liberty Bond, sir," respectfully replied the soldier.

Work has been started on flooring and sides for soldier tents at the camp. The boys are to be made comfortable for the winter. They'll have lots of work to do, and a cozy place to rest and spin yarns will help a great deal. Uncle Sammie always sees that his boys are properly housed.

"The Fairview Club" is a new organization launched in Y. M. C. A. building No. 1. Many members already are on the roster. The club is planning many good things in the amusement line for the winter.

Basket and volley ball courts and boxing arenas have been built at most all of the Y. M. C. A. buildings at Camp Shelby now. Every one of the buildings has been crowded to capacity every night for a week.

Hundreds of men will have their first lesson in French Wednesday night. Classes will be taught in each of the "Y" buildings.

Three good films are being run the first part of the week in the Y. M. C. A. buildings at camp. In building No. 1 a double bill—"The Fairy

## MEATLESS DAYS ARE HEALTHFUL

Barnard Points Out That Doctors Say This Plan Will Extend Life of Adult

ALSO WHEAT LESS BREAD

Greatest Difficulty is Convincing Mass of Consumers of Benefits to be Derived

(By United Press.)

Indianapolis, Ind., Oct. 12.—Harry E. Barnard, state food commissioner, pointed out today that although people dread the prospect of meatless and wheatless days, doctors say that if they will adhere to this program they will extend the average life of the nation's adults ten years. He said:

"We have been shrinking at the thought that we must forego the pleasures of the table in an endeavor to 'do our bit' toward conserving the food supply. It has not been pleasant to look forward to meatless days or wheatless bread, but now come the doctors with a resolution in which they urge us to eat less meat and more corn, rice and barley products. They tell us that if we use meal, hominy and other corn products in place of wheat, and cut our meat orders to one small portion a day, we will extend the average life of the nation's adult ten years. These men, wise in the problems of public health and proper feeding, point out that food conservation is not only an economic problem but the greatest and most acute public health problem. And while we are making sacrifices at the dinner table, it may develop that all the time we have been gaining in health, strength and bodily vigor."

"Of course the gourmet who is not satisfied with ordinary natural food flavor and whose very dish must be bathed in rich sauces before it has any appeal to his jaded palate, will not easily learn that good corn may be transformed into many dishes of delicious flavors. But the mass of consumers, once convinced that more corn and less meat is a cheaper and a better way of living, will do their share toward conserving food and at the same time so improve their health that the doctors who urged them to better eating habits will find their practice diminishing."

Godfather," and "Mr. Jack Duck's Alimony," were seen by a large crowd. "The Cave Man," attracted a crowd to building 5, while Frank Daniels, in "Crooky," furnished an hour's amusement for men visiting building No. 3.

Programs change Monday and Thursday in each building.

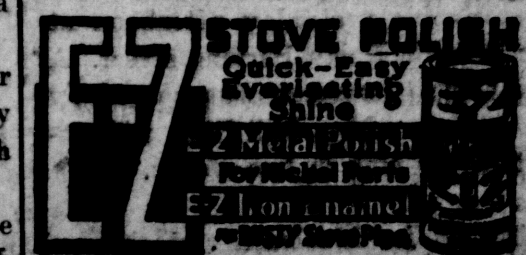

## MUST PAY BILLS BY OCT. 20

Water Consumers Have Ten Days of Grace as Usual

Between 400 and 500 water consumers have until Oct. 20 to pay their quarterly bills before the city discontinues the service and extracts the penalty of \$1 for renewing each delinquent patron. The bills were due the tenth of the month, but under the order of the service commission ten days of grace are given and then if the bills are not paid, it is made mandatory upon the city to turn the water off. It is expected that more of the delinquents will pay up by the time the list is turned over to the superintendent, Oct. 21.

## MIGHT USE CORD WOOD.

Indianapolis, Oct. 12.—If the fuel situation comes to the worst this winter, cord wood will be supplied from Turkey Run, the state park, according to a plan worked out by Richard Lieber, secretary of the Indiana board of forestry. The wood can be taken without injuring the beauty of the park.

WANT ADS BRING RESULTS

## The New Method

Backache of any kind is often caused by kidney disorder, which means that the kidneys are not working properly. Poisonous matter and uric acid accumulate within the body in great abundance, over-working the sick kidneys, hence the congestion of blood causes backache in the same manner as a similar congestion in the head causes headache. You become nervous, despondent, sick, feverish, irritable, have spots appearing before the eyes, bags under the lids, and lack ambition to do things.

"The latest and most effective means of overcoming this trouble, is to eat sparingly of meat, drink plenty water between meals and take a single Anuric tablet before each meal for a while," says the famous Dr. Pierce of Buffalo, N. Y.

Simply ask your favorite druggist for Anuric (double strength). If you have lumbago, rheumatism, gout, dropsy, begin immediately with this novel treatment.

## MARVELOUS HERBAL MEDICINE CURES LONG-STANDING COUGH.

Goshen, Ind.—"I was down and out with what my doctor pronounced tuberculosis. I had coughed night and day for a whole year and had lost so much flesh I began to look like a walking skeleton. Two of my sisters had died with tuberculosis and I felt certain that my time had come, too.

After the doctor gave me up, a friend recommended Dr. Pierce's Golden Medical Discovery to my husband. The 'Discovery' gave new strength and vitality right from the start, and in a year's time I was just as strong and hardy as ever. I have never suffered with a deep-hacking cough since and it is all fifteen years since I was at death's door with this ailment."

—Mrs. ELIZA TEETER, 610 N. Main St.

## Use varnish that lasts

The main expense in varnishing is labor. Don't put on varnish that looks well only when new and won't last long enough to pay for the cost of putting it on.

We sell and recommend Murphy Varnishes on account of their extra durability.

F. E. Wolcott

## Farm of 73 Acres at Auction! Tuesday, October 23rd

Two and one-quarter miles west of Rushville on the Shelbyville pike, immediately after the personal property is sold. This farm will be sold at auction. I think it to be under as high a state of cultivation as any farm in Rush county, located on prominent road, well fenced, good seven-room house, good barn, silo, five wells of water, well drained, every bit of which is tillable. Free gas in every room of house for heat, cooking and light—in fact everything will be in first class repair.

TERMS—When bid off you will be required to pay \$3,000 in cash, or more if you prefer. Balance of purchase price will be divided in 6 equal yearly payments, drawing 6% interest from date, to be secured by first mortgage. I feel this to be an opportunity of possibly a lifetime for a man with moderate means to buy himself a comfortable home. You have no arrangements to make with any loan company or deferred payments, as to that you will note. I am taking care of you. All you have to do is to lay down the required cash payment and your deeds and transfers will be made to you. So be prepared to take advantage of this opportunity that may never again present itself to you

THE SUBWAY

Nature's Own Remedy

Hyomei Relieves Catarrh Without Dangerous Drugging of the Stomach.

Not until Hyomei was discovered has it been possible to truthfully say that a remedy for catarrh was known.

This remedy is breathed through the Hyomei inhaler for a few minutes four times a day, and during that time every particle of air taken into the air passages and lungs is impregnated with the germ-killing and health-giving Hyomei.

Stomach drugging often causes disordered digestion and brings on some other disease and never makes a permanent cure for catarrh. Hyomei not only kills the germs in the throat and nose but penetrates to the minutest air cells in the lungs and enters the blood with the oxygen, killing the germs in the blood. It frees the mucous membrane from the poisonous microbes and gives freedom from catarrhal troubles.

A complete outfit costs but little and includes an inhaler, dropper, and sufficient Hyomei for several weeks' treatment.

Remember, that if Hyomei does not help you Johnson's Drug Store will refund your money.

Mrs. Clyde Black of this city and Tom Innis were the honored guests Wednesday when Mrs. Tom Innis entertained with a high noon dinner at her home near Milroy in celebration of their birthdays. In the afternoon the ladies whiled away the hours over needlework and knitting. The guests included: Mr. and Mrs. Leroy Lines, Mr. and Mrs. Edgar Thomas, Mr. and Mrs. Frank Mock, Mrs. James Sage, Mr. and Mrs. Charles Stewart, the Rev. and Mrs. Ed Murr, Mr. and Mrs. Rush Tompkins, Mr. and Mrs. Fred Shepherd, Mrs. Mayfield, Mrs. Ray Shelby, Mrs. Edna Power, Mr. and Mrs. J. G. Hammond and the Rev. and Mrs. Clyde S. Black and children of this city.

Eight members of the Priscilla Art club of Falmouth and one guest were entertained yesterday afternoon by Miss Mary Hinchman. The pretty parlors of the home were adorned with pumpkin faces, witches and other decorations suggestive of Hallowe'en. Games in keeping with Hallowe'en made a lively amusement for the guests and refreshments were served. In two weeks Mrs. Jack Rees will entertain the club.

Miss Elgie Thomas entertained the Neighborhood club of Greensburg with an all day affair at her home in North Morgan street yesterday. At noon an elegant dinner was served by the hostess. Covers were laid for Mrs. James M. Craig, Mrs. Will Perry, Mrs. Chester Edkins, Miss Lou Perry, Mrs. John Parker, Mrs. Isaac Layton, Mrs. Sam Deem and Mrs. Charles White.

Mr. and Mrs. J. F. Miller royally entertained with a six o'clock dinner at their home in Milroy, Wednesday evening. The elegant dinner was served in four courses and covers were laid for Mr. and Mrs. Walter Hite of Sandusky, Mr. and Mrs. Leroy Lines, the Rev. and Mrs. E. Murr, Mr. and Mrs. Clifford Powers, Mr. and Mrs. Tom Innis and Mr. and Mrs. J. H. Sipplman.

Mrs. Lenora Blackledge was hostess yesterday when she entertained with a dinner party at her home, northeast of this city. Pretty bowls of dahlias centered the tables where covers were laid for Mr. and Mrs. John Jordon, Mr. and Mrs. William Allen, Mr. and Mrs. William M. Alexander, Mrs. R. E. Wilson and Mrs. Bert Kennedy and Laurence and William Blackledge.

Mrs. Berney White charmingly entertained about twelve members of the Ladies Aid Society of the Methodist church of New Salem, yesterday afternoon and two guests, Mrs. Isom Stevens and Mrs. Dolph White. Two contests were introduced during the afternoon, Mrs. Dolph White being the winner of the pretty trophy. The hostess served a course luncheon.

Mrs. Hugh Mauzy entertained with a noonday dinner yesterday at her home in North Perkins street, honoring a number of out-of-town guests, who were Mrs. Lee Dykeman, Mrs. Isaac Wilson, Mrs. Harry Keats, Mrs. Arthur Hill, Mrs. Ed Dykeman, Mrs. John Bethard, Mrs. Luther Fagar and Mrs. Omer Whelan, all of Richmond.

Miss Eileen Eck, daughter of Mr. and Mrs. William Eck of Shelbyville and Garl Trees son of W. Trees of Noble twp., Shelby Co., were married at the home of the bride Wednesday evening at nine o'clock. The ceremony was witnessed by only the immediate families. Mrs. Trees has visited friends in this city on several occasions.

The eight members of the Pirate Bridge club had their regular bi-monthly gathering with Mrs. Guy Abercrombie yesterday afternoon at her home in North Perkins street. A two course luncheon was served by the hostess. Mrs. Will Bliss will entertain the club in two weeks.

The Ladies Musicale, which was to have been held Monday in the assembly room of the court house,

has been postponed for two weeks on account of the diphtheria epidemic.

Mrs. William Fitzgerald, assisted by Mrs. Mart Coyne entertained seventeen members of the Ladies Aid Society of the Catholic church yesterday afternoon. The members sewed and knit for the Red Cross and the hostesses served refreshments. Mrs. Sd Caldwell assisted by Mrs. John Cooning will entertain the society in two weeks.

The members of the Evening Card club and one guest, Miss Chestina Stiers, were entertained by Mrs. Ferd Retherford last evening at her home in North Main street. A dainty luncheon was served by the hostess. Mrs. B. O. Simpson will entertain the club in two weeks.

Miss Ruth Innis, who is attending school at Indiana University at Bloomington, has been appointed as editor of the art department on the staff of the Arbutus, the senior class annual.

The Social which was to have been given tonight by the B. Y. C. D. class of the First Baptist church has been postponed indefinitely on account of the diphtheria epidemic.

The Plum Creek auxiliary of the Red Cross will meet with Mrs. George Murphy Tuesday afternoon.

With The Churches

—First Baptist church, C. J. Bunnell, residence 612 North Morgan street, phone 1911. The city is under quarantine and it is the desire of the church to co-operate in every way with the city board of health in its effort to conserve the health of our people. At a called meeting of the ministerial association it was decided to dispense with all of the services of the Lords Day except the morning preaching service at 10:45. The adult classes of the Sunday school are free to meet if they desire.

—The regular preaching service will be held at the United Presbyterian church Sunday morning at 10:45. The preparatory service which was to have been held this evening has been dispensed and the communion services, which were to have been Sunday morning, have been postponed indefinitely.

—The Rev. W. H. Fields, pastor of the Christian church at Wheeling, West Virginia, will preach at the Main Street Christian church Sunday morning at 10:30 o'clock. There will be no other services on account of the epidemic.

—Services at the First Presbyterian church Sunday will be as follows: 8 a. m., "Quiet Hour," 10:30 a. m., divine worship, sermon by the pastor and special music by the choir.

—The regular Sunday services will be held at the United Presbyterian church at Glenwood, with Sunday School at 1:30 and preaching at 2:15.

U.S. OFFICERS TO HAVE CLUB

London Palace to Be Thrown Open For Them

London, Sept. 26 (By Mail)—Officers of the Sammies on leave in London or passing through will soon have a regular American club where they can while away their spare time.

Lord Leonfield has given up his palatial home in Chesterfield Gardens and a committee of the Pilgrims are busy transforming it into one of the coziest clubs in the city. It will be at the disposal of the American officers in a few weeks.

Born to the wife of Lowell Macy a baby girl, who has been named Lois Catherine.

### TO DISCUSS CATTLE FEEDING

Farmers of County to Meet at Court House Tomorrow Afternoon

Following the annual meeting of the Rush County Farmers' Insurance company tomorrow a meeting of farmers will be held in the assembly room of the court house to discuss methods of increasing the beef production in the county. It is planned to show the value of feeding fodder. While it is believed the time is past for cutting fodder, the value of feeding it will be pointed out. The meeting is called by A. L. Gary, chairman of the County Council of Defense and it is believed sufficient interest will be shown to warrant a large crowd.

around. I am getting very well acquainted in Hattiesburg now. We were lucky in being the first bunch down here.

There is one thing I miss more than I can tell, and that is trapping sport this winter.

In a few days we will get about 1,500 horses to take care of and a few mules. I will be right at home there. I hope they give me a horse to take care of instead of a mule.

Artillery drill is really more interesting than the infantry.

## AMERICAN RED CROSS PRAISED

Baron Moorsel Says he Has Seen  
Them Under Fire in Belgium  
Many Times

NOT FOR PERSONAL HONOR

Many Acts of Heroism Never Come  
to Public Knowledge—Urges  
Support

(By United Press.)

Washington, Oct. 12.—"American Red Cross workers in the little strip of Belgium still held from German clutches are constantly under shell fire. They are not thinking of winning medals—but of the good they can do," said Baron von Hoot de Moorsel, on a special mission from Belgium, during a visit to Red Cross headquarters here.

"I have seen personally many acts of heroism of the American Red Cross that have never come to public knowledge," said Baron Moorsel. "They are constantly under shell fire and in some section of the Ypres sector within range of the rapid fire guns. They are working for humanity—not for personal honor."

Urging the American woman to aid the Red Cross Baron Moorsel said, "It is the sacred duty of every American woman to give every hour she can spare to the Red Cross making bandages and other such labor as the local chapter directs."

## NAMES 3 MEN TO PICK SPECIAL JUDGE FROM

Judge Sparks Appoints Attorneys  
And Litigants Will Determine  
Who Shall Hear Case

TO COLLECT ATTORNEYS FEES

Judge Sparks today named three men from whom one will be selected to try the case of Charles L. Tindall against Richard Harter, to collect an attorney's fee, demanding \$500. The men named were M. P. Hubbard of Brookville, Lee Tremaine, Greensburg and D. L. Wilson of Shelbyville. Each side will mark off one name and the remaining man will act as special judge.

The court overruled two motions for new trials today in suits sent here from Henry county. The F. H. Cheyne Electric Company was refused a new trial in its suit against Charles W. Mouch, to foreclose a mechanics lien.

H. Riley White was also refused a new trial in the case he brought against Edgar and Jennie Love to quiet a title. In both cases judgments were given the defendants for costs.

## WHEELING PASTOR TO PREACH SUNDAY

The Rev. W. H. Fields, Who Has  
Made Great Record in 12 Years,  
to be at Christian Church

CLASSMATE OF C. M. YOCUM'S

The Rev. W. H. Fields, pastor of the Christian church at Wheeling, West Virginia, will preach at the Main Street Christian church Sunday morning at the regular hour, but there will be no Sunday school or evening services on account of the diphtheria epidemic.

The Rev. Mr. Fields comes to the church with an enviable record back of him. He has been pastor of the Christian church in Wheeling twelve years and now has the largest Protestant congregation in the city. There were only 150 members in the church when he took charge. Wheeling is a city of 45,000 inhabitants. The Rev. Mr. Fields Sunday school is also reported to be the largest in the state of West Virginia. He was a class mate in college of the Rev. C. M. Yocum, who resigned recently as pastor of the church here to become western secretary of the Foreign Missionary society.

—J. M. Amos was among the business visitors in Indianapolis today.

## OFFICERS SHOWS VALUE OF DRILL

Declares Recruits May Get Tired of  
it, But it is Necessary to  
Win War.

CITES OWN CASE AS EXAMPLE

Greatest Value Came in Retreat and  
it Was so Successful That  
Only One Was Killed.

(By United Press.)

London, Sept. 25. (By Mail)—"I dunno wot's the matter wid you haps, today, but, as I 'av remarked afore'n once before—thank Gawd we got a navy." The old sergeant whose arm had been torn off by "a bit o' drapnel" was drilling a squad of raw recruits. "Ow the 'ell you haps think ye're goin' to whack the Uns when ye don't know 'ow to at-he-alt-on-the-right-form-platoon—ang it all, ye chaps ought to know by this time. Now try it agin."

"Of course, I know 'ow you feel about it. You're fed up, ain't ye? Ye're sick o' formin' fours an' presenting arrums an' all that, ain't ye? An' ye think this drill is all 'unbug un' eyewash."

"Ye can take my word for it, drill's the thing wots goin' to win this war. Anybody can be a blinkin' 'ero and do the death and glory stunt, but it takes a man to do 'is drill in the field as steady as 'e'd do it 'ere on his parade ground."

"Let me tell ye 'ow I learned the good o' drills. It was dooin' the retreat. I was in charge a party—ill o' 'em trained soldiers—when we come to a place where the 'uns was 'chewin' up the ground wid machine-guns. Them was the days we 'adn't got no Lewis guns at all, an' only about a 'undred machine-guns in the ole British army. Makes ye laugh o' think on it. I can swear we done so laughin'."

"An' wot did drill do—eh? I'll ell ye. Soldiers they was and they mew their drill backwards. I gave the order to six paces—extend. 'An' hey done it without turnin' a 'air, 'an went up to the 'un and gave 'im blazes. 'An' how many casualties 'ad we, do ye think. Two. That was ill. One chap was killed 'an another wounded. That was me, see."

"Now, if we 'ad been a lot o' blinkin' 'eroes, instead of a lot o' soldiers, wot'd 'ave 'appened, eh? We'd all a been casualties. If ever ye git into a corner like we was in you'll thank Gawd for the bit o' drill ye was 'aught 'ere on this parade ground."

## Amusements

The Princess will show Vivian Martin in the comedy-drama, "The Spirit of Romance," for the program tonight. Miss Martin is first shown as the drudge and later in an array of beautiful and stylish frocks and gowns. It is said to tell a story of unusual interest. Tomorrow Jack Gardner and Ruth King will be shown in the feature western drama, "The Range Boss."

## MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back  
hurts or Bladder bothers—Meat  
forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot be pure, and makes a delightful effervescent lithia-water drink.

## NO NEW CASES REPORTED TODAY

Diphtheria Situation Remains Unchanged and Quarantine Rules Are Being Observed

### PICTURE SHOWS HARDEST HIT

More Cases Anticipated Because of Large Number Exposed in Families Where Disease Is Now

### Ministerial Association Votes To Hold One Service Sunday

The Rushville Ministerial Association voted at a meeting this morning to hold only one service Sunday on account of the diphtheria epidemic. That will be the regular morning service. The evening church service and Sunday school will be dispensed with but adult classes may make arrangements to meet on their own initiative.

The diphtheria situation today remained unchanged in so far as no new cases had been reported to the city health board. A close watch is being maintained in families where one or more cases have been reported to see that other members exposed do not contract the disease. From the large number exposed it is not believed the maximum number of cases have been reported and it would not be surprising to find more of the disease.

But under the quarantine regulations as established by the health board, it is believed the spread of the disease will soon be checked and the chances are the schools will be opened on the date originally set by the board—Oct. 22.

Thus far the public has shown a willingness to co-operate and very little complaint has been made. The picture shows are perhaps hit the hardest by the board's order. Last night could not be taken as a criterion because of the weather, but the small crowds were the rule at both theaters.

The ministerial association this morning at a special meeting voted to co-operate with the health officials and announced that to this end there would be but one service Sunday at all of the churches. This service will be at the regular preaching hour Sunday morning and will be open to only those over 21 years old. This is in keeping with the health board's order not to permit anyone not twenty-one to attend a public gathering. There will be no evening service or Sunday school, except as some adult organization may meet on their own initiative.

By prohibiting children from attending Sunday school there was little use to make an effort to conduct this branch of church work and the association voted accordingly.

For the most part the children of school age have followed the police instructions not to congregate on the streets or business houses. One or two cases were reported where the police had to use threats to insure the following out of the health board's order but for the most part no trouble was caused. The cool weather may help the quarantine as the children will not be so hard to keep indoors.

The epidemic thus far has been confined entirely to the city. One fatality occurred in Union township, but no one else contracted the disease in this household and the county health commissioner, Dr. W. C. Smith, has received no reports of any other case.

### FARMERS MEET.

Anderson, Ind., Oct. 12.—Hundreds of farmers of Madison county gathered at the E. N. Wilson farm near here today for the annual meeting and picnic. Prof. G. I. Christie of Lafayette and Dr. H. E. Barnard, pure food commissioner, were among the speakers.

## DISCOVERY DAY OBSERVED

Banks Close and Knights of Columbus Will Hold Banquet

Outside of the closing of the banks and a banquet tonight by the Knights of Columbus, Discovery Day passed off here today without any special significance. The Knights of Columbus will be entertained by the new officers tonight at a banquet and smoker and an impromptu program will be followed.

## LULL IN LIBERTY LOAN CAMPAIGN

Partly Due to Fact That Banks Were Closed Today Because This Is Columbus Day

### 4-MINUTE-MEN CAMPAIGN OFF

There was a lull in the Liberty Loan Bond campaign today, largely because of the fact that the banks, where the activity centers, were closed on account of this being Discovery Day, a legal holiday. Many canvassing committees are still busy, however, seeing everyone in the territory assigned to them.

The report from Chicago yesterday showing that Rush county ranks seventh in the state in the percentage of Liberty Loan quota subscribed, spurred canvassers on to greater endeavor and it is expected the next report received will reveal another large gain in subscriptions. The last report showed the number of subscriptions almost doubled and the par value of the subscriptions more than doubled.

The Four-Minute-Men campaign has been called off for the remainder of the week because of the disagreeable weather and for the additional reason that attendance at the picture shows is cut down because of the diphtheria quarantine regulations. No speeches were made last night on account of the small attendance at the shows.

## PETITIONERS WIN IN SMULLEN ROAD CASE

Hancock Circuit Court Decree Says Commissioners May Construct Highway at Raleigh.

### REMONSTRATORS LOSE CASE

Under a decree entered in the Hancock circuit court the Charles L. Smullen et al road in Washington township was ordered sent back to the Rush county commissioners for construction. The decree was received today by the county auditor and under its terms the petitioners are upheld.

The Smullen road was petitioned for in the spring of 1916. A remonstrance was filed, headed by William Knecht, and when the commissioners overruled the remonstrance, the case was taken to the circuit court and then sent to Hancock county on a change of venue.

The road is to be about three-quarters of a mile long and extends east and west through Raleigh. The remonstrators contended that the road could not be constructed under the three-mile road law because it did not connect two free gravel roads and was simply a section of one improved road. It is believed under the decree of the court that the commissioners will now order the road built although it may be necessary to raise the estimate because the road cannot now be built for the cost as originally estimated.

Brazil—Father J. W. Balinson of the Catholic church here has received an appointment as an army chaplain and has been ordered to report to Camp Taylor, Louisville.

## H. D. ALLEN TO GO TO COAL SITUATION FRANCE AS A CLERK

Employee of Rushville Postoffice For 18 Years Selected For Service Abroad

### ORDERED TO CAPITAL NOV. 10

Appointment is Recognition of Ability as Only 150 Clerks Are Appointed

Harvey D. Allen, clerk at the Rushville postoffice, was ordered this morning to report at Washington November 10 for service as a postal clerk in France. Mr. Allen did not make application for the appointment.

The order for him to report, however, does not recognize the fact that he did not apply for the position. The letter containing the order was addressed to Postmaster G. P. Hunt and says: "You are directed to request Mr. Harvey D. Allen, an employee at your office, to leave for Washington on November 10, unless sooner called by telegraph, to join a party going to France for service there, under the United States Postal Agent, provided he can meet the passport requirements."

The passport requirements are that he shall be a native born citizen of the United States and that his parents shall be native born or his father a naturalized citizen.

The letter further states that arrangements should be made for the passport requirements and that Mr. Allen be provided with a memorandum showing the last day of duty performed in this office.

The letter also says that Mr. Allen will be required to purchase the prescribed uniform at Washington or New York, which will cost approximately \$25. The letter also contained transportation to Washington.

It is stated that clerks selected are experienced distributors in the service, who are expected to serve during the period of the war. They will be transferred to the rolls of the United States Postal Agent, and at the conclusion of their services, reinstated to their former positions and grades.

Mr. Allen will be paid at the rate of \$1,200 a year with a subsistence allowance not to exceed \$2.00 a day. When traveling on official business, clerks will be reimbursed for the actual and necessary expenses incurred by them.

Mr. Allen has been employed at the Rushville postoffice for eighteen years and the appointment is a recognition of his ability as a clerk, in view of the fact that only 150 clerks are being selected for service in France and the department has all the clerks in the United States to draw from. The appointment, however, is restricted to clerks outside of the draft age. A clerk who has been exempted from military service can not be appointed.

The transportation expenses of the 150 clerks will be paid and they will be taken to France on army transports which will be conveyed by destroyers and dreadnaughts. This means that the danger of crossing to France will be minimized. The postoffice department announced on October 1 that these clerks would be dispatched to France to assist in the distribution of mail to and from the expeditionary forces.

The uniform will be the olive drab and will have the "U. S." on it just as the uniform of army men, but on the arm will be in red letters, "P. S." indicating the branch of the service. Mr. Allen will not be in the military service, but will still be a part of the postal service.

Evansville—In accordance with the new conveyance law for township schools, a back has been put in operation in Knight township.

## IS "ROTTEN" HERE

This is Only Word One Dealer Says Will Express it, With No Fuel In The City

### WOOD SUPPLY IS EXHAUSTED

With First Snow and Subsequent Lowering of Temperature, Fuel Shortage is Serious

"The coal situation today is rotten," was the expression of one local coal dealer, and with the first real touch of winter at hand causing a demand regardless of the price, this is not very encouraging to the man who has not laid in his winter supply.

With the first snow of the season this morning and a subsequent lowering of the temperature soft coal was in great demand, but there was none to be had. The local dealers had sold entirely out of the product and while all have coal on the way there is no assurance as to when it will arrive. The coal now comes direct from the mines and sometimes requires as long as ten days to reach the city.

With coal a necessity the price is no longer a consideration. If a household needs coal for fuel the price cannot be taken into consideration and especially since there is no coal to be had.

The wood situation presented a similar problem. The Reynolds Manufacturing company, which sells large quantities of wood for fuel, has entirely disposed of its output for three weeks in advance and is no longer taking orders. When soft coal is hard to obtain many people turned to wood for heating purposes, but now there is no wood. The Reynolds company quickly disposed of a large supply and wood sold faster than it could be cut. Thus it became necessary to discontinue taking orders.

The weather was not cold enough today to lower the natural gas pressure to any great extent, but as the gas supply will be about like that of last winter it cannot be depended upon with any certainty for heating purposes.

The Geological Survey in a statement issued from Washington admits a general shortage and declares it is caused by the unprecedented demand for the product.

"The tremendous increase in manufacturing and transportation activity this year," said the statement, "has created a demand for soft coal in excess of any in the past. An increase in demand that is difficult to measure in terms of tons, but that is certainly more than 10 per cent by which production has increased." All of which leads the small user, the men who have no coal to wonder at a solution of the problem.

The smaller towns of the county are in no better position than Rushville. There was no coal at Milroy and the famine is general throughout the county as well as the country.

The Geological Survey says the shortage is not caused by the failure of the coal miners to produce more coal for the country on Sept. 1 was about a month ahead of last year in output and is expected to finish the year with an increase of 10 percent over last year.

## U-BOAT NOT SO EFFECTIVE

Washington, Oct. 12.—A cut of thirty-three per cent today in the cost of government insurance for crews traversing the submarine zone was taken as further evidence of a waning of U-boat effectiveness. Vessels trading with the Azores, the Canary Islands and Morocco ports on the Atlantic were added by today's treasury department order to those requiring seamen's insurance.

## MAY BE PLAYED IN SNOW

Next World Series Game in Chicago Where it Looks Like Christmas

(By United Press.)  
Chicago, Ill., Oct. 12.—The fifth world's series game here tomorrow may be played on snow shoes. This was indicated today when the landscape looked like Christmas. Snow fell during the night and early this morning. The weather man promised "unsettled and warmer" for tomorrow.

## CLARK DISCHARGED FROM CAMP TAYLOR

Rush County Man Going With Increment Week Ago is Found to be Physically Unfit

### IS SECOND ONE SENT HOME

Harry E. Clark of this city, sent to Camp Taylor from here one week ago today, has been given his discharge by the army examining physicians. Clark was suffering from a minor ailment when examined here, but the board did not believe this would disqualify him, but their judgment did not correspond to that of the army surgeons.

Clark was sent to Camp Taylor in the place of James Alsmen of Arlington who was originally selected to go, but who was ill with pneumonia and could not make the trip. Clark is the second Rush county man to be turned down, Samuel Ferguson being the first.

The local board has received no official notice of the action of discharging the two men. Ferguson has been home for two weeks, but no notification has reached the board to this effect.

## WILL PLAY A BIGGER PART WITH HER NAVY

America Plans Fuller Co-Operation With Allies, Outline of Which Mayo Brings Back

### HOME FROM VISIT TO FLEET

(By United Press.)  
Washington, Oct. 12.—America is about to play a bigger part in the war with her navy.

Plans for fuller co-operation with the allies are being brought to Secretary Daniels by Admiral Mayo, back today from a six weeks visit to the British fleet and the American warships in European waters. Speculation on Mayo's mission has taken a wide range, some stating he was especially interested in the possibilities of a grand naval offensive against the German submarine bases and even against the German battle fleet.

The navy department's announcement of Mayo's return said:

"The purpose of the visit was to permit him to become familiar in every detail with the situation as it is at the present, what has been done before and to discuss the plans for the future.

"Admiral Mayo visited the British fleet and our own forces in British waters in order that he might familiarize himself with the conditions under which the allied forces are operating."

## YARGER BURNED TO DEATH

(By United Press.)  
Bluffton, Ind., Oct. 12.—H. E. Yarger was burned to death today and his home was destroyed by an explosion of kerosene while he was starting a fire. James Rush, his brother-in-law was severely burned while trying to rescue Yarger. His wife and daughter narrowly escaped from the burning house.

## START ON ANOTHER OFFENSIVE IN MUD

British Troops Attack on Front of Six Miles Northeast of Ypres This Morning

### PROGRESS IS SATISFACTORY

Dispatch From Front Says All First Objectives Were Swept Over in the First Dash

(By United Press.)  
London, Oct. 12.—British troops began another great offensive early today over the slime and mud of Flanders.

"Northeast of Ypres we attacked on a front of about six miles about 5:25 this morning," the British commander-in-chief reported, "with satisfactory progress."

The highest hopes were revived here today by the news of this resumed offensive. London realizes that weather conditions could not possibly be worse for fighting. It has rained continuously for almost five days in Flanders. Every dispatch has emphasized the sea of mud there. The public, therefore, accepted the fact that under such adverse conditions Haig has again chosen to attack as proof of knowledge that he now has the enemy reeling from his sledge hammer blows.

Momentous issues hang on the German line in the Ypres sector. The British drive is a direct menace to the German grip on submarine bases on the Belgian coast.

## VICTORY IN SPITE OF MUD

British Continue Tremendous Drive in Early Morning Spurt

(By United Press.)  
By WILLIAM PHILIP SIMMS  
With the British Armies in the field, Oct. 12.—All first objectives were swept over and taken in. The first dash of another tremendous drive early today.

The victory was achieved despite the fearful state of the ground—an ocean of mud through which the advancing men wallowed and almost swam. The drive is still progressing.

"All is simply splendid," declared Field Marshal Haig, discussing his latest offensive in an interview today.

"The entire history of Flanders shows that the soldier's worst enemy is mud.

"This is true more than ever before in the particular section here as the natural drainage was stopped when the country was inundated. Notwithstanding the mud, British, including men from all dominions and the French have overcome both the mud and the Germans."

## ROUSING ITSELF TO SECOND LIBERTY LOAN

Nation is Spurred on by Gloomy Official Report of First Ten Days of the Campaign.

### QUICKENING IS MANIFEST

(By United Press.)  
Washington, Oct. 12.—The nation is rousing itself today to the second Liberty Loan.

Spurred on by the gloomy official report of the first ten days campaigning, committees throughout the country strove with fresh determination to reach their quotas today. All forces are working for the \$5,000,000,000 goal undaunted by the knowledge that only about one-fifth of this amount has been subscribed.

The treasury department stated a general quickening of the campaign is already manifest despite the fact that most banks are closed today.

## WINS \$177 PRIZES AT NATIONAL SWINE SHOW

Geo. Reeves Makes Splendid Showing With Herd of Spotted China Hogs at Omaha.

### GREAT RECORD IN TEN SHOWS

George Reeves has returned from Omaha, Nebraska, where he made his usual good showing with his prize herd of Spotted Poland China hogs at the National Swine show, which is open to the world and proves that his herd is the equal of any. He won \$177 in prize money at this show alone.

He won in the class for aged boar and the championship and grand championship with the boars of the herd, which has won three prizes in seven out of ten shows made this season. In the other three he was second. In the Omaha show the boar beat his sire, which was the champion and grand champion boar last year. The sow of the herd also won the championship and grand championship in seven out of ten shows this season.

Other winnings at the Omaha show were: third on senior yearling boar; second on junior boar pig; second on aged sow; first on senior yearling sow; third, fourth and sixth on senior sow pigs; third and fourth on junior sow pigs; first on aged herd; third on young herd; third on get of sire and fourth on produce of dam.

## LAFOLLETTE TO GET A CHANCE TUESDAY

Summoned to Appear Before Investigating Committee to Make His Defense

### DISLOYALTY IS CHARGED

(By United Press.)

Washington, Oct. 12.—Senator LaFollette was today summoned to open his defense against disloyalty charges at a meeting of the investigating committee next Tuesday morning.

The Wisconsin pacifist will probably be followed on the witness stand by former secretary of state William J. Bryan.

The committee in a letter to LaFollette today declared they desired to give him a hearing to inform the committee with reference to various statements he made in his St. Paul speech.

"The committee," said the letter, "begs to advise you that it does not concede that its power extend to an inquiry in to your right to make the speech—that question being reserved for the full committee for its consideration; nor does it believe it has self-authority to inquire into the motive of those making attacks on you."

LaFollette had particularly requested to be heard on these points.

## RECOMMENDS TWO PARDONS, 7 PAROLES

State Board of Pardons Continues Case of the Rev. William H. Hinshaw, Wife Murderer.

### DENY 34 PAROLE REQUESTS

(By United Press.)

Indianapolis, Ind., Oct. 12.—Two pardons and seven paroles were recommended and thirty-four requests for paroles denied by the state board of pardons today.

The case of the Rev. William H. Hinshaw, serving a life sentence for wife murder was continued. A pardon was recommended for Nelson White, sentenced for life from Vigo county in 1906 for murder.

A parole was recommended for Bernice Parker, sentenced from Johnson county in 1915, for aiding in robbing a bank. The woman, who is only 23 years old, was alleged to have admitted helping blow the Greenwood bank. Her husband and another man are serving terms for the same crime.

Miss Mildred Oneal went to Glenwood this afternoon to visit the schools.

## HOGS ARE 40 TO 65 CENTS LOWER TODAY

Prices Decline With Run of 5,500, One Thousand Greater Than Yesterday's Receipts.

### TOP IS NINETEEN DOLLARS

Indianapolis hog quotations were forty to sixty-five cents lower today with a run of fifty-five hundred. This is one thousand greater than yesterday's receipts. The top price was nineteen dollars.

There were no grain quotations in Indianapolis or Chicago as this was Discovery Day, a legal holiday.

## SPECULATION AS TO GERMANY'S MOVE

General Belief is That Sweeping Offer of Belgium's Independence Will be Made

### CALCULATED TO SOW DISCORD

By ED L. KEEN

(U. P. Staff Correspondent.)

London, Oct. 12.—Following the speedy failure of German Foreign Secretary Kuehlmann's attempt to sow discord among the allies regarding Alsace-Lorraine, there was much speculation in official circles today as to the character of Germany's next move in her "peace offensive."

The general belief was that a sweeping offer of Belgium's independence, calculated to sow discord among the English was not unlikely. Any such an offer would probably be looked upon to influence public opinion. Any such scheme was believed doomed in advance so far as its effects here is concerned because the war issues have gone far beyond the Belgium question.

The step would be regarded as indicating Germany's desperation in a military sense.

## Rushville Evidence For Rushville People

The Statements of Rushville Residents Are Surely More Reliable Than Those of Utter Strangers

Home testimony is real proof. Public statements of Rushville people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts. Here's a Rushville man's statement.

And it's for Rushville people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

Samuel A. Brown, 206 Pearl St., says: "I had a severe attack of backache and it became worse every day. Finally, the trouble was so bad I could hardly raise my foot above the ground. When I stooped, I thought my back would break. I used Doan's Kidney Pills and was surprised at the prompt way in which they stopped the trouble. In a few days, I was free from pain."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

These Firemen Didn't Have Much to do to Make Run Either (Carthage Citizen)  
A fire burning out at the Morris residence just northeast of town, tenanted by Charles Weaver, caused some uneasiness as to its extent, by the family and neighbors, and a call was sent for the auto fire-fighter here at 9:30 p. m., Wednesday. 'Chiefs' Hood, Behr and Willcutt made the run, after assembling the machine, filling flat tires, hunting a missing bolt for the trailer, etc. The engine was not used as the fire was extinguished from the openings in the cellar. It might prove a good investment to keep the fighter in trim and readiness.

### COUNT LUXBURG CAUGHT

(By United Press.)  
Buenos Aires, Oct. 12.—How Count Luxburg, dismissed German envoy, was forcibly searched and disarmed after he had given vent to a wild outburst of language when discovered at a Uruguayan ranch was told in information reaching here today. The count under heavy guard is enroute to Buenos Aires.

## FIRST SNOW COMES EARLIER THAN USUAL

County Gets Its First View of Flakes Today and Temperature Drops to Freezing

### FREEZING WEATHER TONIGHT

Snow fell in Rushville early this morning—the first time in many years that this county has had snow as early in the fall as October 12. The temperature was down to freezing early this morning and moved up very little during the day, never reaching forty. Predictions were for freezing temperatures tonight and fair weather tomorrow.  
J. H. Armstrong, meteorologist in Indiana for the United States weather bureau, said the snowfall this early was brought about by a high-pressure atmospheric field, which followed from the northwest the stormy conditions of the last few days. This combination turned the showers into snow flurries he said.  
Madison reports a light snow fell, following a rain of several hours. The thermometer there registered 28, a drop of ten degrees in the last twelve hours. Thin ice formed in the streets. The bean and tomato crops of Jefferson county suffered severely from the cold snap.  
Dispatches say the snow flurries were general throughout the state. At Greenfield the mercury fell to 32. Kokomo, Ft. Wayne, Crawfordsville and other places say the "skiffs" of snow were light and melted today.

### Days Pickings

The case of Jephtha Crouch and others, doing business under the firm name of J. Crouch and Son of Lafayette against Leslie Boring and Catherine Boring has been received in the circuit court on a change of venue from Shelby county. The case involves the sale of a stallion by Crouch and Son to the defendants and in a counter claim the defendants allege they were damaged because the stallion was "moon eyed" and unsound.  
The suit of William C. White against the Terre Haute, Indiana, and Eastern traction company has been sent here on a change of venue from Shelby county. The suit was originally filed in Hancock county. The case involves the killing of a horse and mule valued at \$500.

The Carthage Citizen says that the Carthage library has sent \$56.44 to the headquarters of the war library fund as its contribution to the fund. The Carthage school gave \$7.38. The library's allotment was \$115 dollars.

Miss Dorothy Mulno, high school student, is not suffering with diphtheria as first thought. A report from Indianapolis this morning, where a throat culture was sent for examination, disclosed that she has tonsillitis.

An exchange will be given Saturday by the Busy Bee class of the First Baptist church in the Panteney room in Second street.

Mr. and Mrs. Stephen Kelly and family are moving from North Jackson street to 412 North Harrison street.

Terre Haute—A meeting of milk producers recently decided conditions justify an increase in the price of milk. Consequently the people of Terre Haute will soon be paying thirty cents a gallon for their milk.

### TAKE NOTICE

The telephone office will be open tonight for all those who have not yet paid their bill. Get in tonight. 1811t.

### NOTICE OF SALE OF REAL ESTATE BY ADMINISTRATOR

The undersigned, Administrator with the will annexed, of Henry Armstrong, deceased, will in pursuance of the will of deceased offer for sale at private sale at not less than appraised value thereof at the law office of Meigs & Ross in Rushville, Indiana, the following described real estate in Rush County, State of Indiana, to-wit: Description of that part lying north of the highway:

**PLAT 1**  
Commencing at the northeast corner of the east half of the northeast quarter of Section 36, Township 13, north, Range 10 east, thence east 1337 feet to the northeast corner of the east half of said quarter section; thence south 1681 feet to the center of the Rushville and Andersonville free turn pike; thence in a northwesterly direction along the center of said turn pike to where the same crosses the west line of the east half of said quarter section; thence north 543 feet to the place of beginning and containing 35.42 acres more or less.

**PLAT 2**  
Also commencing at the northeast corner of Section 31, Township 13, north, Range 11 east; thence east 1314 feet and 6 inches to a point that is 24 feet and 9 inches west of the southeast corner of the east half of the northeast quarter of said section; thence north 839 feet and 6 inches to the center of the Rushville and Andersonville free turn pike; thence in a northwesterly direction along the center of said turn pike to where the same crosses the west line of the east half of the northeast quarter of said section 36; thence south 2132 feet and 6 inches to the place of beginning; excepting: commencing at a point on the west line of the east half of the northeast quarter of said section 36, 543 feet south of the northwest corner of the east half of said quarter section; thence south 437 feet, thence east 515 feet and 6 inches to the center of said turn pike; thence in a northwesterly direction along the center of said turn pike to the place of beginning and containing 2 acres and 75 rods, more or less. And also excepting that part of said real estate that was deeded to the Indianapolis & Cincinnati Traction company, and which is described as follows:

Part of the northeast quarter of Section 36, Township 13, north, Range 10 east, being a strip of land 88 feet in width, lying 83 feet on either side of the following described center line:

Beginning on the west line of the east half of said quarter section at a point 242.5 feet southwest of the southwest line of the highway lying northwest and southeast through said quarter section; thence in a southeasterly direction 650 feet; thence curving to the left along a curve having for its radius 1432.69 feet for a distance of 585 feet; thence in a southeasterly direction tangent to this curve 52.2 feet thence curving to the right along a curve having for its radius 1432.69 feet for a distance of 432 feet, more or less to the east line of said line of northeast quarter of Section 36, and containing 2.22 acres, leaving the amount in the above description of 41.55 acres.

**AFTER THIS SOLD.**  
Said land will be offered as a whole and also in two separate tracts. One tract consisting of Plots numbered one and two, the other tract being the plot numbered three. Plots 1 and 2 to

ing northeast and Plot No. 3 being southwest of the Rushville and Andersonville free gravel road. Possession to be given March 1st, 1918. Said sale will be upon the following terms and conditions: At least one-half the purchase money cash on day of sale the balance in one installment payable in 12 months from day of sale, deferred payments, if any, to be evidenced by promissory note bearing interest at 6 per cent, per annum from date and attorneys' fees, waiving valuation and appraisal laws secured by mortgage on premises sold, the purchaser to have option of paying all cash. Bids will be received at the office of Meigs & Ross, Rushville, Ind., or by the undersigned until 10 o'clock p. m. on said 20th day of November, 1917.

**ANDERSON ARMSTRONG,**  
Administrator With Will Annexed  
of Henry Armstrong.  
Oct 5-12-19-26

### EXECUTOR'S SALE OF REAL ESTATE

Notice is hereby given that the undersigned executor of the estate of Francis M. Redman, deceased, by order of the Rush Circuit Court, in Cause No. 2505 of said court will offer at private sale at the law office of Young & Young in Suite No. 3 in Payne Bank Building in Rushville, Indiana, on

**THE 10th DAY OF NOVEMBER, 1917,**  
at one o'clock p. m. the following real estate to-wit: The south half of Lot 38 in E. Section 36's third addition to the city of Rushville, Indiana. This property is a two and one-half story frame ten-room house, with 4 bed rooms and hall above and six rooms and hall below. Good stable and sheds and all in first class condition, and as good as new. Located near 1 & C. stop, and close to grocery store. This property must be sold to settle estate.

**TERMS OF SALE**—One-half cash on day of sale; one-half in six months, drawing six per cent interest, secured by mortgage on said real estate. If said real estate is not sold on said day the same will be continued from day to day until sold.  
Oct 12-19-26 **GEO. W. YOUNG, Executor.**

### NOTICE SPECIAL MEETING COUNTY COUNCIL

Notice is hereby given that the County Council of Rush County, Indiana, will meet in the county auditor's office in Rushville, Indiana, on

**Monday, October 22, 1917**

at 10 o'clock a. m. for the purpose of transacting business which touches the interest of the county.

Witness my hand and seal this 12th day of October, 1917.

## An Object Lesson

A trip through the country near any large marketing center will, if the traveler be an observant person, bring to his attention some facts that it will be well to heed. More especially will he do well to note them carefully if he is a farmer.

One thing that will claim his attention is that in the planting of crops by truck farmers he will observe almost a perfect unanimity in variety throughout a given community. Cabbages and tomatoes, onions and radishes, turnips and green corn, he will find the same variety being grown by all.

If this same man will happen into this same community at the time these crops are being marketed he will see the results of this system. He will see the result of standardization. He will see products from any number of truck farms assembled in one big shipment, all consigned to the same market, and all of uniform grade and value. Each man knows exactly what his produce is worth, because he knows that it measures up to a given standard.

Had these truckers "mixed" their products—that is, had every man planted the variety of any given crop that most appealed to him—this facility in marketing could not have been attained.

Here is food for thought for the regular farmer other than the trucker. The great markets of the world have nicely adjusted standards in all commodities they handle. A shipment of corn, for instance, need not be of any particular variety, but must be all of one variety if the shipper would get the best price.

Now let us carry the lesson a step further. All shippers know that it is easier to get the top price on a shipment of a number of ears of any commodity than on a few hundred bushels. Hence it stands to reason that the more of a given grade of any commodity a community can turn out the more readily it is marketed and the better price it brings.

Farmers would do well to not only establish farm standards, but neighborhood standards as well. Organ-

## PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound, mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

# OUR ENEMIES

What We Are Fighting Against

By Newell Dwight Hillis

(Second Article)

This war began in 1892, in a meeting in the Palace at Potsdam. The Kaiser at that time placed in the hands of his advisers a document marked "secret and confidential." The first line held these words: "The Pan-German Empire." The second line read: "From Hamburg and the North Sea to the Persian Gulf." The third line was: "Our immediate goal by 1915 is the conquest of 250,000,000 of people." The fourth line read: "Our ultimate goal is the Germanization of all the nations."

On the second page there was an extract from the Kaiser's speech. "From my childhood I have been under the influence of five men—Alexander, Julius Caesar, Theodore the Second, Frederick the Great and Napoleon. These five men dreamed their dreams of a world empire—they failed. I, too, have a dream of a world empire—I shall succeed."

Two maps prepared by the Kaiser, for his associates, set forth clearly the ultimate goal to be won by his military machine. The first map was called "The Roman Empire—Caesar Augustus, Emperor." Then are spread out the countries conquered: Carthage, subdued and her capital a county-seat town reporting to Rome; Egypt and Palestine conquered, while Alexandria and Jerusalem report to the Emperor. Ephesus and Athens are conquered and are county-seat towns under the Emperor's heel.

Having used the Roman Empire as his standard, the Kaiser publishes

\*\*\*\*\*  
+ Marriage Licenses  
+ Issued 50 Years Ago  
+ \*\*\*\*\*

A marriage license was granted fifty years ago today to Mary Hays and John Ledger and they were married two days later by the Rev. Father Henry Peters.

ize your productive plans with a view to systematic and profitable marketing. Get together and decide on the most profitable crops the community is adapted to, and then as to the variety of each. Then such an agreement has been reached, much of the difficulty in marketing will have been overcome.

## Farmers Help Expected

President Wilson, in a recent address to the people of the United States said:

"Upon the farmers of this country, in a large measure, rests the fate of the war and the fate of the nations."

In every crisis it is the farmer that the people of this country have turned for help because the farmers have never failed them. The opportunity to serve his country has come again. The second issue of the Liberty Loan for \$3,000,000,000 is being floated and Washington looks to the farmer to do his share, to buy freely.

Marshall Forrest of Chicago, who is booming the sale of these bonds in the country districts of Illinois, calls attention to the increased production of grain in the state, especially oats. Throughout the entire seventh federal reserve district this crop has been above the average, to say nothing of the increased price received for it.

The farmers have the money; their crops are garnered; their profits should be invested in these Liberty bonds. It is inconceivable that they will hold back for a moment in such a crisis as we are now passing through, for every dollar put into a Liberty bond is an effective blow struck at autocracy as represented by the enemy of the United States.

"Nation is Warned to Husband Meat."—Headline. Which the girls will try to obey by transposing the two last words and slightly altering the spelling of one.

The food pirates have one consolation—the food control bill will lessen their liability under the income tax law and the excess profits measure.

the World Map for 1920. At the top of the map were these words: "The Pan-German Empire." Beneath you read: "Kaiser Wilhelm II, Emperor." Across the State of France are the words, "Germania," for Paris is a county-seat town. Upon Great Britain is written, "Germania" for London is a county-seat town.

Seven years after this was published, the German admiral told the hero of Manila Bay just what was to happen concerning the war. He bade Admiral Dewey remember the Kaiser was preparing to conquer France, with the real purpose of destroying England, and then proposed to seize Canada and the United States. "Germany after that will dispose of South America and the Monroe Doctrine as they think best." These facts throw a flood of light upon the Kaiser's statement to Ambassador Gerard, "When this war is finished I will not stand any nonsense from the United States."

Now that three years have been completed, we see the Kaiser missed his goal by only a hair's breadth. 1917 is here and lo, the Kaiser controls 200,000,000 instead of 250,000,000 he hoped to have conquered. By three years' war he has increased the German population from 70,000,000 to 220,000,000. He controls directly or indirectly, Belgium, North France, Poland, Roumania, Hungary, Austria, Bulgaria, Serbia, Turkey

and a part of Armenia. Having prepared for the war by a vast web of cunning, intrigue, and treachery, through hired agents distributing bribes in every capital of the globe, he is now preparing for peace and proposes a trade and compromise that will give up Belgium and North France and count the incident closed. This means—he will give back about one-fifteenth of the conquered territory and people, thus retaining 140,000,000 which, with his 70,000,000 Germans leaves the Pan-German Empire with over 200,000,000 of people and extending from the North Sea to within four hundred miles of the Persian Gulf. Today, the Kaiser is spending millions through his agents, influencing and bribing members of the press, of the judiciary, of legislatures. As Germany has not been invaded, peace without victory means that while the rest of the world recovers from its billions of losses, Germany will strengthen her military machine and then complete the Germanization of the whole world.

### Nature's Own Remedy

**Hyomei Relieves Catarrh Without Dangerous Drugging of the Stomach.**

Not until Hyomei was discovered has it been possible to truthfully say that a remedy for catarrh was known.

This remedy is breathed through the Hyomei inhaler for a few minutes four times a day, and during that time every particle of air taken into the air passages and lungs is impregnated with the germ-killing and health-giving Hyomei.

Stomach drugging often causes disordered digestion and brings on some other disease and never makes a permanent cure for catarrh. Hyomei not only kills the germs in the throat and nose but penetrates to the minutest air cells in the lungs and enters the blood with the oxygen, killing the germs in the blood. It frees the mucous membrane from the poisonous microbes and gives freedom from catarrhal troubles.

A complete outfit costs but little and includes an inhaler, dropper, and sufficient Hyomei for several weeks' treatment.

Remember, that if Hyomei does not help you Johnson's Drug Store will refund your money.

Mrs. Clyde Black of this city and Tom Innis were the honored guests Wednesday when Mrs. Tom Innis entertained with a high noon dinner at her home near Milroy in celebration of their birthdays. In the afternoon the ladies whiled away the hours over needlework and knitting. The guests included: Mr. and Mrs. Leroy Lines, Mr. and Mrs. Edgar Thomas, Mr. and Mrs. Frank Mock, Mrs. James Sage, Mr. and Mrs. Charles Stewart, the Rev. and Mrs. Ed Murr, Mr. and Mrs. Rush Tompkins, Mr. and Mrs. Fred Shepherd, Mrs. Mayfield, Mrs. Ray Shelby, Mrs. Edna Power, Mr. and Mrs. J. G. Hammond and the Rev. and Mrs. Clyde S. Black and children of this city.

Eight members of the Priscilla Art club of Falmouth and one guest were entertained yesterday afternoon by Miss Mary Hinchman. The pretty parlors of the home were adorned with pumpkin faces, witches and other decorations suggestive of Halloween. Games in keeping with Halloween made a lively amusement for the guests and refreshments were served. In two weeks Mrs. Jack Rees will entertain the club.

Miss Elgie Thomas entertained the Neighborhood club of Greensburg with an all day affair at her home in North Morgan street yesterday. At noon an elegant dinner was served by the hostess. Covers were laid for Mrs. James M. Craig, Mrs. Will Perry, Mrs. Chester Edkins, Miss Lou Perry, Mrs. John Parker, Mrs. Isane Layton, Mrs. Sam Deem and Mrs. Charles White.

Mr. and Mrs. J. F. Miller royally entertained with a six o'clock dinner at their home in Milroy, Wednesday evening. The elegant dinner was served in four courses and covers were laid for: Mr. and Mrs. Walter Hite of Sandusky, Mr. and Mrs. Leroy Lines, the Rev. and Mrs. E. Murr, Mr. and Mrs. Clifford Powers, Mr. and Mrs. Tom Innis and Mr. and Mrs. J. H. Sipplman.

Mrs. Lenora Blackledge was hostess yesterday when she entertained with a dinner party at her home, northeast of this city. Pretty bowls of dahlias centered the tables where covers were laid for Mr. and Mrs. John Jordan, Mr. and Mrs. William Allen, Mr. and Mrs. William M. Alexander, Mrs. R. E. Wilson and Mrs. Bert Kennedy and Laurence and William Blackledge.

Mrs. Berney White charmingly entertained about twelve members of the Ladies Aid Society of the Methodist church of New Salem, yesterday afternoon and two guests, Mrs. Isom Stevens and Mrs. Dolph White. Two contests were introduced during the afternoon, Mrs. Dolph White being the winner of the pretty trophy. The hostess served a course luncheon.

Mrs. Hugh Mauzy entertained with a noonday dinner yesterday at her home in North Perkins street, honoring a number of out-of-town guests, who were Mrs. Lee Dykeman, Mrs. Isaac Wilson, Mrs. Harry Keats, Mrs. Arthur Hill, Mrs. Ed Dykeman, Mrs. John Bethard, Mrs. Luther Fagar and Mrs. Omer Whelan, all of Richmond.

Miss Eileen Eck, daughter of Mr. and Mrs. William Eck of Shelbyville and Carl Trees son of W. Trees of Noble twp., Shelby Co., were married at the home of the bride Wednesday evening at nine o'clock. The ceremony was witnessed by only the immediate families. Mrs. Trees has visited friends in this city on several occasions.

The eight members of the Pirate Bridge club had their regular bi-monthly gathering with Mrs. Guy Abercrombie yesterday afternoon at her home in North Perkins street. A two course luncheon was served by the hostess. Mrs. Will Bliss will entertain the club in two weeks.

The Ladies Musicales, which was to have been held Monday in the assembly room of the court house,

has been postponed for two weeks on account of the diphtheria epidemic.

Mrs. William Fitzgerald, assisted by Mrs. Mart Coyne entertained seventeen members of the Ladies Aid Society of the Catholic church yesterday afternoon. The members sewed and knit for the Red Cross and the hostesses served refreshments. Mrs. Sd Caldwell assisted by Mrs. John Cooning will entertain the society in two weeks.

The members of the Evening Card club and one guest, Miss Chestina Stiers, were entertained by Mrs. Ferd Retherford last evening at her home in North Main street. A dainty luncheon was served by the hostess. Mrs. B. O. Simpson will entertain the club in two weeks.

Miss Ruth Innis, who is attending school at Indiana University at Bloomington, has been appointed as editor of the art department on the staff of the Arbutus, the senior class annual.

The Social which was to have been given tonight by the B. Y. C. D. class of the First Baptist church has been postponed indefinitely on account of the diphtheria epidemic.

The Plum Creek auxiliary of the Red Cross will meet with Mrs. George Murphy Tuesday afternoon.

**With The Churches**

—First Baptist church, C. J. Bunnell, residence 612 North Morgan street, phone 1911. The city is under quarantine and it is the desire of the church to co-operate in every way with the city board of health in its effort to conserve the health of our people. At a called meeting of the ministerial association it was decided to dispense with all of the services of the Lords Day except the morning preaching service at 10:45. The adult classes of the Sunday school are free to meet if they desire.

—The regular preaching service will be held at the United Presbyterian church Sunday morning at 10:45. The preparatory service which was to have been held this evening has been dispensed and the communion services, which were to have been Sunday morning, have been postponed indefinitely.

—The Rev. W. H. Fields, pastor of the Christian church at Wheeling, West Virginia, will preach at the Main Street Christian church Sunday morning at 10:30 o'clock. There will be no other services on account of the epidemic.

—Services at the First Presbyterian church Sunday will be as follows: 8 a. m., "Quiet Hour," 10:30 a. m., divine worship, sermon by the pastor and special music by the choir.

—The regular Sunday services will be held at the United Presbyterian church at Glenwood, with Sunday School at 1:30 and preaching at 2:15.

### U.S. OFFICERS TO HAVE CLUB

London Palace to Be Thrown Open For Them

London, Sept. 26 (By Mail)—Officers of the Sammies on leave in London or passing through will soon have a regular American club where they can while away their spare time.

Lord Leonfield has given up his palatial home in Chesterfield Gardens and a committee of the Pilgrims are busy transforming it into one of the coziest clubs in the city. It will be at the disposal of the American officers in a few weeks.

Mr. and Mrs. Dewey Marshall have moved to a farm south of Homer.

Born to the wife of Lowell Macy a baby girl, who has been named Lois Catherine.

## TO DISCUSS CATTLE FEEDING

Farmers of County to Meet at Court House Tomorrow Afternoon

Following the annual meeting of the Rush County Farmers' Insurance company tomorrow a meeting of farmers will be held in the assembly room of the court house to discuss methods of increasing the beef production in the county. It is planned to show the value of feeding fodder. While it is believed the time is past for cutting fodder, the value of feeding it will be pointed out. The meeting is called by A. L. Gary, chairman of the County Council of Defense and it is believed sufficient interest will be shown to warrant a large crowd.

around. I am getting very well acquainted in Hattiesburg now. We were lucky in being the first bunch down here.

There is one thing I miss more than I can tell, and that is trapping sport this winter.

In a few days we will get about 1,500 horses to take care of and a few mules. I will be right at home there. I hope they give me a horse to take care of instead of a mule.

Artillery drill is really more interesting than the infantry.

## AMERICAN RED CROSS PRAISED

Baron Moorsel Says he Has Seen Them Under Fire in Belgium Many Times

NOT FOR PERSONAL HONOR

Many Acts of Heroism Never Come to Public Knowledge—Urges Support

(By United Press.)

Washington, Oct. 12.—"American Red Cross workers in the little strip of Belgium still held from German clutches are constantly under shell fire. They are not thinking of winning medals—but of the good they can do," said Baron von Hoot de Moorsel, on a special mission from Belgium, during a visit to Red Cross headquarters here.

"I have seen personally many acts of heroism of the American Red Cross that have never come to public knowledge," said Baron Moorsel. "They are constantly under shell fire and in some section of the Ypres sector within range of the rapid fire guns. They are working for humanity—not for personal honor."

Urging the American woman to aid the Red Cross Baron Moorsel said, "It is the sacred duty of every American woman to give every hour she can spare to the Red Cross—making bandages and other such labor as the local chapter directs."

## NAMES 3 MEN TO PICK SPECIAL JUDGE FROM

Judge Sparks Appoints Attorney And Litigants Will Determine Who Shall Hear Case

TO COLLECT ATTORNEYS FEES

Judge Sparks today named three men from whom one will be selected to try the case of Charles L. Tindall against Richard Harter, to collect an attorney's fee, demanding \$500. The men named were M. P. Hubbard of Brookville, Lee Tremain, Greensburg and D. L. Wilson of Shelbyville. Each side will mark off one name and the remaining man will act as special judge.

The court overruled two motions for new trials today in suits sent here from Henry county. The F. H. Cheyne Electric Company was refused a new trial in its suit against Charles W. Monech, to foreclose a mechanics lien.

H. Riley White was also refused a new trial in the case he brought against Edgar and Jennie Love to quiet a title. In both cases judgments were given the defendants for costs.

## WHEELING PASTOR TO PREACH SUNDAY

The Rev. W. H. Fields, Who Has Made Great Record in 12 Years, to be at Christian Church

CLASSMATE OF C. M. YOCUM'S

The Rev. W. H. Fields, pastor of the Christian church at Wheeling, West Virginia, will preach at the Main Street Christian church Sunday morning at the regular hour, but there will be no Sunday school or evening services on account of the diphtheria epidemic.

The Rev. Mr. Fields comes to the church with an enviable record back of him. He has been pastor of the Christian church in Wheeling twelve years and now has the largest Protestant congregation in the city. There were only 150 members in the church when he took charge. Wheeling is a city of 45,000 inhabitants. The Rev. Mr. Fields Sunday school is also reported to be the largest in the state of West Virginia. He was a class mate in college of the Rev. C. M. Yocum, who resigned recently as pastor of the church here to become western secretary of the Foreign Missionary society.

## OFFICERS SHOWS VALUE OF DRILL

Declares Recruits May Get Tired of it, But it is Necessary to Win War.

CITES OWN CASE AS EXAMPLE

Greatest Value Came in Retreat and it Was so Successful That Only One Was Killed.

(By United Press.)

London, Sept. 25. (By Mail)—"I know what's the matter with you boys, today, but, as I've remarked more'n once before—thank Gawd we got a navy." The old sergeant whose arm had been torn off by "a bit of shrapnel" was drilling a squad of new recruits. "Ow the 'ell you chaps think ye're goin' to whack the 'Uns when ye don't know 'ow to at- the-alt-on-the-right-form-platoon— ang it all, ye chaps ought to know by this time. Now try it agin."

"Of course, I know 'ow you feel about it. You've fed up, ain't ye? Ye're sick o' formin' fours an' pre- senting arrums an' all that, ain't ye? An' ye think this drill is all 'umbin' un' eyewash."

"Ye can take my word for it, drill's the thing wot's goin' to win this war. Anybody can be a blinkin' 'ero and do the death and glory stunt, but it takes a man to do 'is drill in the field as steady as 'e'd do it 'ere on his parade ground."

"Let me tell ye 'ow I learned the good o' drills. It was dooin' the Retreat. I was in charge a party— all o' 'em trained soldiers—when we come to a place where the 'uns was 'ewin' up the ground wid machine- guns. Them was the days we 'adn't got no Lewis guns at all, an' only about a 'undred machine-guns in the ole British army. Makes ye laugh o' think on it. I can swear we done no laughin'."

"An' wot did drill do—eh? I'll ell ye. Soldiers they was and they mew their drin' backwards. I gave 'em order to six paces—extend. 'An' hey done it without turnin' a 'air, an' went up to the 'un and gave 'im blazes. 'An' how many casualties 'ad we, do ye think. Two. That was all. One chap was killed 'an another wounded. That was me, see."

"Now, if we 'ad been a lot o' blink- in' 'eroes, instead of a lot o' soldiers, wot'd 'ave 'appened, eh? We'd all a 'een casualties. If ever ye git into a corner like we was in you'll thank Gawd for the bit o' drill ye was 'aught 'ere on this parade ground."

## Amusements

The Princess will show Vivian Martin in the comedy-drama, "The Spirit of Romance," for the program tonight. Miss Martin is first shown as the drudge and later in an array of beautiful and stylish frocks and gowns. It is said to tell a story of unusual interest. Tomorrow Jack Gardner and Ruth King will be shown in the feature western drama, "The Range Boss."

## MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot be pure, and makes a delightful effervescent lithia-water drink.

## Buy It Today

If you have a fall coat in mind, buy it today.

Today the lines are full—the range of choice responds to every demand. Today's purchasers carry the credit for leading the fashions.

And today's values are based upon careful buying when trade costs were less than they are now or may be for some time.

We are showing a big line of Coats in Wool Velour, Kersey, Broadcloth, Burella and all popular cloths in all new shades, some with fur collars for \$25.00 to \$30.00.
